ABOUT US

Since its inception in 2004, Al Nasiya General Contracting Co. LLC has established itself as one of the leading contracting firms across the UAE. Our reputation has been built on delivering impressive results for a full-service specializing in construction, renovation, decoration and maintenance.

Over the years, Al Nasiya gained an extensive portfolio of successful projects operating primarily with the government entities such as healthcare, education, residential sectors and government offices. Our commitment to provide the best and unmatched service to our clients led us to create a stronger and broader network of customers dealing with the most sophisticated projects with passion, dedication as well as great professionalism. Located in the capital of the UAE, Al Nasiya is a 100% national company and has been renowned as one of the most progressive construction companies in Abu Dhabi.

The company has earned recognition for undertaking large and complex projects, advancing innovation, embracing new technologies as well as fostering long-term partnerships that gave rise to a thriving business that we have today. Launching successful projects has not only allowed our company to grow, but has continuously shaped entities which serve as a sustainable source of revenue.

Throughout the years, we have sought to build healthy financial capabilities and at the same time, we operate tirelessly with the commitment of delivering superior quality work on schedule at the most competitive rate.

Our team, systems and processes have been carefully selected and built to meet the technical requirements as well as the financial parameters of each and every project. As an organization, we have adapted ourselves to changing conditions and continuously invested in managing properties in accord to global standards. Today, Al Nasiya continues to maintain long term relationships with our clients and employees as these enhance our credibility to be one of the most reliable companies in the construction industry.

Our strong experience combined with an ideology of building trust with our valued customers has kept a vast majority of our clients coming back. With strong abilities to maintain a competitive edge, our approach to work hand in hand with clients results to a guaranteed customers' satisfaction.

True to its mission to be a customer-centric and goal-driven company, we will consistently consolidate our strengths in pioneering innovation and producing state-of-the-art projects.

CHAIRMAN'S MESSAGE

With extensive and successful years in the industry, Al Nasiya General Contracting Co. LLC began its journey with a dream that withstood the test of time. From our humble beginnings, the company has developed immensely, focusing on building a people-centric organization committed to professionalism, integrity, and excellence with our valued partnerships and clients.

Over the years, we have built strong, mutually supportive relationships, working on prime projects in government sectors, prestigious schools, healthcare centers, high-profile companies, and residential/commercial buildings.

The company has embraced state-of-the-art technology and development, leveraging them at all levels and across all parameters. This has allowed us to be recognized as one of the most reputed and highly trusted contracting firms in the UAE. We operate not just to meet expectations but to go the extra mile, achieving exceptional and groundbreaking excellence within our scope.

Over the last 15 years, the services we offer have evolved tremendously in terms of innovative and creative processes, matching the pace of growth in the country.

***"YOU DON'T BUILD A BUSINESS, YOU BUILD PEOPLE.
AND THEN, PEOPLE BUILD THE BUSINESS."***

OUR PHILOSOPHY

At Al Nasiya, our core priority lies in staff retention and development. Our proven success is well represented by the genuine commitment of our people, whom we consider our most valuable asset. Employee empowerment is at the heart of our business operations, which is why we value individuals who reflect our passion. This ensures we are fully equipped to take on new challenges, enhancing and expanding our business. The power of people has driven the company's growth and change since its inception.

Although we have attained an impressive scale of business growth since our founding, we view this as only the beginning. By diving deeper into project details from conception to completion, our expertise allows us to understand client demands and address their needs with complete dedication and commitment.

We will continue to work toward creating a vision that represents a strong brand with high expected value. Our mission is to operate tirelessly to become the #1 company in construction, renovation, refurbishment, and maintenance.

Today, I look forward to seeing Al Nasiya grow into the largest contracting company in the UAE in terms of employees, revenue, profit, and long-term partnerships.

VALUES

During the foundation of Al Nasiya, our core values were driven by an in-depth understanding of the construction industry as well as an honest, positive approach to conducting business. This perfect formula has contributed an immense success to attain exceptional customer experience, client loyalty and strong dedication of our employees.

SAFETY

Health and safety in construction are very important things to consider before any projects get underway. Therefore, we implement safety programs in terms of cautiously selecting right methods, equipment and materials to do the work safely and cost effectively.

QUALITY

The ultimate goal is to be the best and persistently improve in providing service that exceeds clients' expectations. This is accomplished by hiring and training the best people in the industry through teamwork, confidence in our work and top quality controlled systems.

SUSTAINABILITY

From conception until the completion, attention to details is crucial. We work hand in hand with our clients to ensure the sustainability of each and every project assigned to us.

PROFESSIONALISM

Our commitment to provide a service that can add value to our clients is our priority. Willingness to go extra mile and openness for improvement are keys in achieving superior quality work.

INTEGRITY

The heart of our business is the trust earned from our clients and we will continue to work with full honesty and respect. This is evident in how we perform and how we set example.

CUSTOMER SATISFACTION

The ultimate result that we anticipate is a happy and satisfied customer. Our reputation on providing outstanding client experience makes Al Nasiya's longevity in this business.

DIVERSITY

We are distinguished by being cultured and influential in a global scale with a unique as well as premium approach towards property development.

FUTURE

By looking to the future and see things in a bigger picture, we always value concepts that can be transformed into a reality, especially by embracing our role to take a huge part at Plan Abu Dhabi 2030.

QUALITY

Al Nasiya is a construction company based in Abu Dhabi that has ISO 9001 certification, a standard used by businesses globally. This is utilized by implementing Quality Management Systems (QMS) to increase organizational efficiency, reduce costs and win client trust.

Below are the major benefits of an ISO 9001 certified company like Al Nasiya to clients:

ENHANCED QUALITY AND SERVICE

By comprehensive adherence to International Standards, it is a guarantee that we can produce a consistent service through established processes to assure overall quality of service in terms of planning, budgeting, engineering and sub-contractor selection.

EFFICIENT DELIVERY

The QMS Standard will implement correct procedures so that the progress of work is in accordance of the government legislation and regulations. Therefore, reducing challenges along the way that improves the efficiency of the project, making system check and audits easier.

EFFECTIVE RISK MANAGEMENT

To avoid re-scaling and over-budgeting of construction contracts due to planning oversights, our team will provide tools needed to tailor each projects and make sure that no procedures are missed. Through its process-focused approach, our work will be based on proper planning, accurate measurement, in-depth review, and right implementation

COST-EFFECTIVENESS

By providing a flexible and structured solution, this will ultimately save your time and money. These are all major benefits of having an ISO 9001 certified company like Al Nasiya.

CUSTOMER SATISFACTION

As part of the standard, we monitor information that relates to our clients' perception to evaluate and assess if requirements have been met. Thus, this focuses on making sure that our valued customers are indeed satisfied.

HEALTH, SAFETY, & ENVIRONMENT

Although the primary goal is to provide exceptional customer service, it is not sufficient to just simply supply high-quality services. Al Nasiya's Management System is fully compliant to ISO 14001 & ISO 45001 standards for its aim to protect our environment as well as the welfare of our employees and the public.

ISO 14001

It is an internationally agreed standard that sets out the requirements for an environmental management system. It helps Al Nasiya to improve our environmental performance through more efficient use of resources and reduction of waste gaining a competitive advantage among our rivals as well as gaining the trust of our clients.

ISO 45001

Health and Safety plays an important role to everybody in business today and implementing a proper Health & Safety policy is essential for a company regardless of its size or industry. At Al Nasiya, an effective health and safety management system can provide benefits to our employees and customers which are as follows:

Providing a safe environment

At Al Nasiya, we strongly believe that we live in an environment that we create. We manage our business in an ethical way that strikes for an appropriate and well-reasoned balance between economic, social and environmental needs through assessment of the risks associated on conducting our business.

Enhanced Quality and Service

Based on research, it shows that a good health and safety policy implemented by management reduces workplace accidents. Our employees are the company's most valued asset and when their safety is overlooked, it will affect our productivity to meet a specific project deadline. Moreover, it is our people who build the business therefore we value them more than anything.

ISO 9001

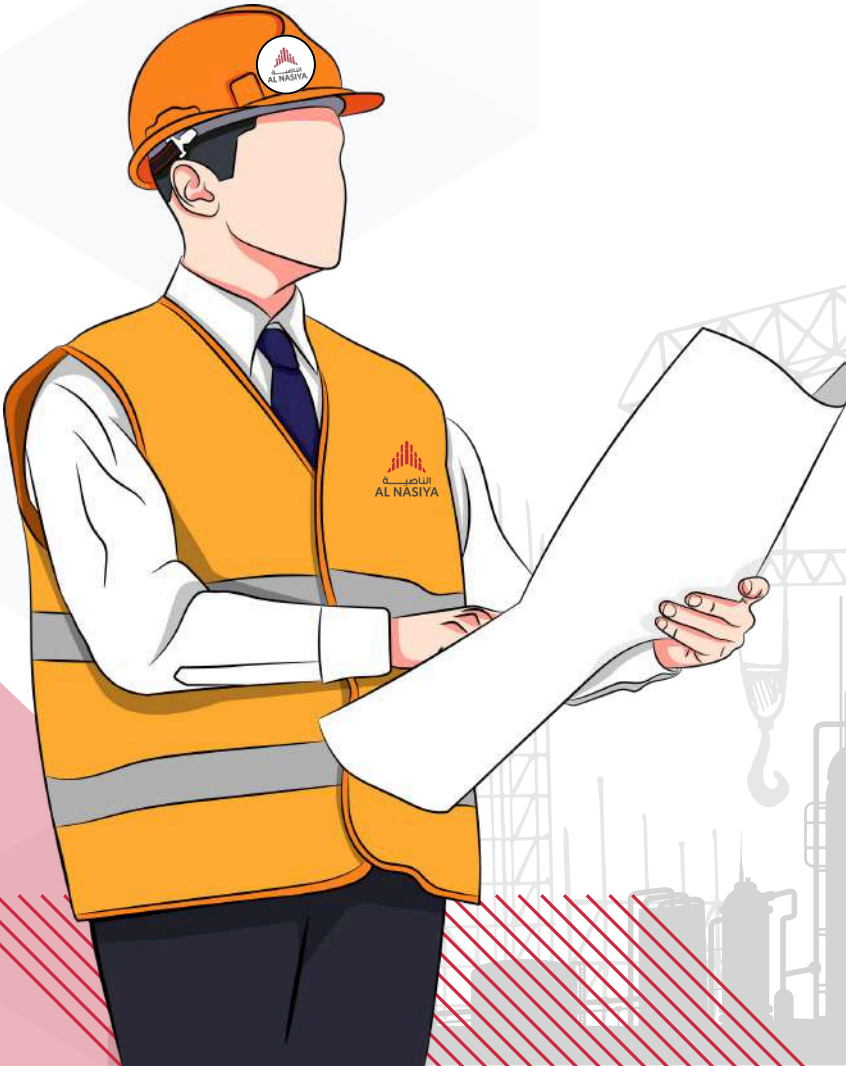

This is a globally recognized standard for quality management. It helps Al Nasiya improve our performance, meet customer expectations and our commitment to quality. Implementation means our organization has put in place effective processes and trained staff to deliver flawless products or services time after time.

Demonstrating commitment to maintain an effective health and safety policy as part of the company's objective, our concern and care for our employees reflect our values that the quality of our work depends on placing effective operational controls on all of our activities.

AT AL NASIYA, WE BELIEVE THAT WE LIVE IN AN ENVIRONMENT THAT WE CREATE.

Health, Safety, Environment Protection, and Risk Management are an integral part of our planning and decision-making.

We manage our business in an **ethical way** that strikes for an appropriate and well-reasoned balance between economic, social, and environmental needs through effective assessment of the risks associated in conducting our business.

QHSE POLICY

	Form Title:	QHSE POLICY	Rev. No:	00
			Rev. Date:	02/01/2025
			Form No:	ANGC-MR-PLC-01

QUALITY, HEALTH, SAFETY, AND ENVIRONMENT (QHSE) POLICY

POLICY STATEMENT

Al Nasiya General Contracting L.L.C is committed to achieving excellence in **Quality**, ensuring the **Health and Safety** of our employees and stakeholders, and safeguarding the **Environment** in all aspects of our operations. In alignment with **ADOSH V4.0 & ISO 45001, 9001 & 14001 requirements**, we strive to meet and exceed regulatory obligations, foster a culture of continuous improvement, and uphold the highest standards of performance.

OUR COMMITMENTS

1. **COMPLIANCE WITH LEGAL AND REGULATORY STANDARDS:**
 - Ensure full compliance with ADOSH V4.0, OSHAD-SF, and all applicable local, national, and international QHSE laws, standards, and guidelines.
2. **RISK MANAGEMENT:**
 - Identify, assess, and control risks to minimize harm to personnel, property, and the environment.
 - Implement measures to proactively prevent workplace incidents and environmental impacts.
3. **HEALTH AND SAFETY:**
 - Provide a safe and healthy work environment by mitigating hazards and reducing occupational health risks.
 - Promote physical and mental well-being for all employees and stakeholders.
4. **ENVIRONMENTAL PROTECTION:**
 - Prevent pollution, reduce waste, conserve resources, and promote sustainable practices across all operations.
 - Continuously monitor and improve our environmental performance.
5. **QUALITY ASSURANCE:**
 - Deliver products and services that meet or exceed customer expectations and industry standards.
 - Foster a culture of excellence through innovation, collaboration, and accountability.
6. **EMPLOYEE ENGAGEMENT AND TRAINING:**
 - Provide adequate training to develop the competence of our workforce in QHSE principles and practices.
 - Encourage active participation and consultation to ensure the success of our QHSE objectives.
7. **CONTINUOUS IMPROVEMENT:**
 - Monitor performance through audits, inspections, and reviews to identify opportunities for improvement.
 - Investigate incidents to determine root causes and implement corrective actions.
8. **EMERGENCY PREPAREDNESS:**
 - Establish, maintain, and periodically test robust emergency response plans to ensure readiness.
9. **STAKEHOLDER COMMUNICATION:**
 - Foster open communication with stakeholders, including employees, clients, contractors, regulatory authorities, and the community.

IMPLEMENTATION AND ACCOUNTABILITY

This policy is the foundation of our QHSE management system. All employees, contractors, and stakeholders are expected to adhere to this policy and contribute to its successful implementation. Management at all levels will provide leadership, resources, and support to meet our QHSE commitments.

REVIEW AND UPDATES

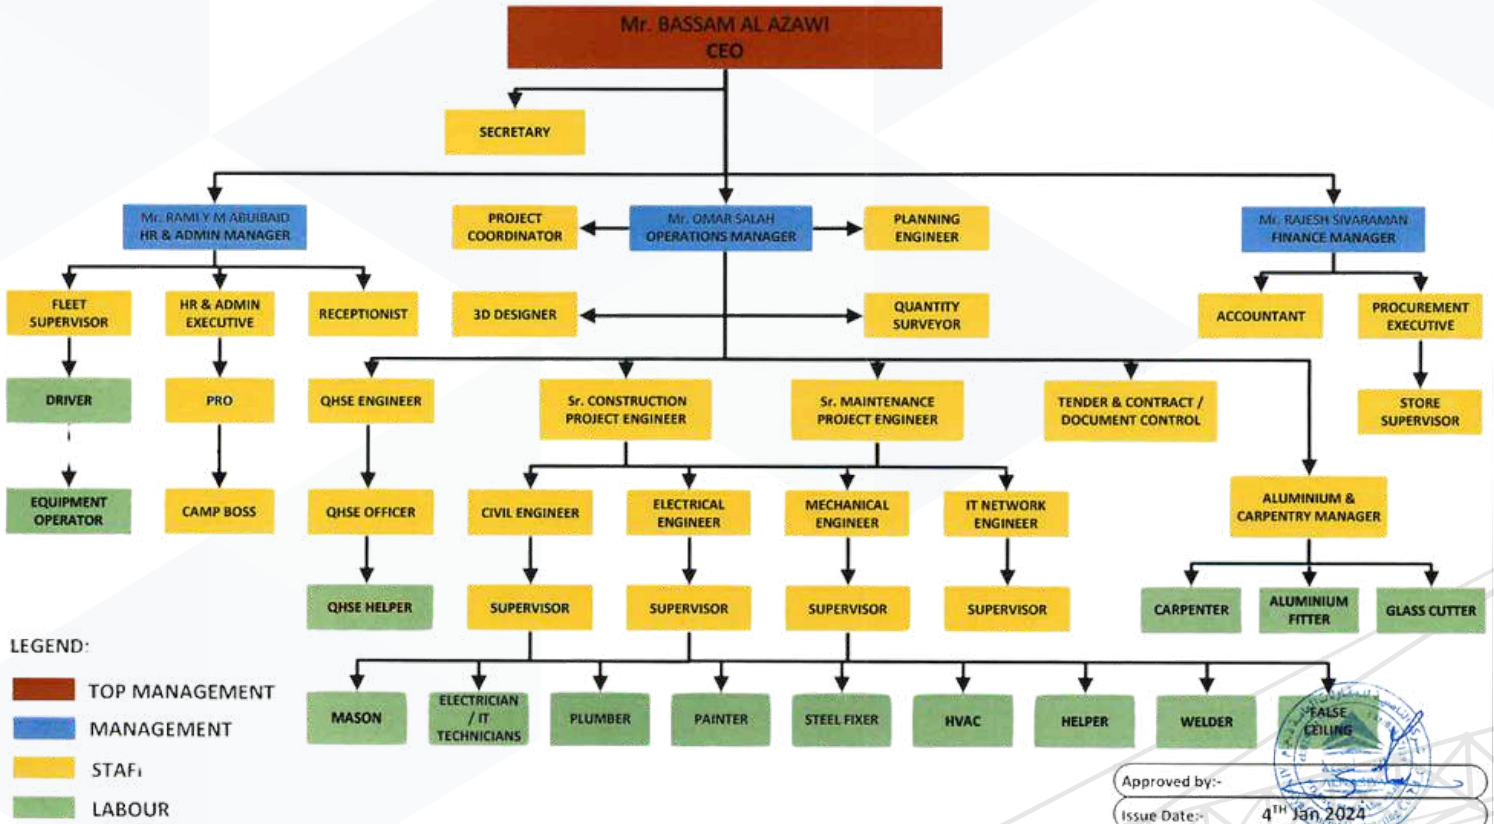

This policy will be reviewed periodically to ensure its continued relevance, effectiveness, and compliance with ADOSH V4.0 and other applicable standards.

BASSAM AL AZAWI
CHIEF EXECUTIVE OFFICER

ORGANIZATIONAL CHART

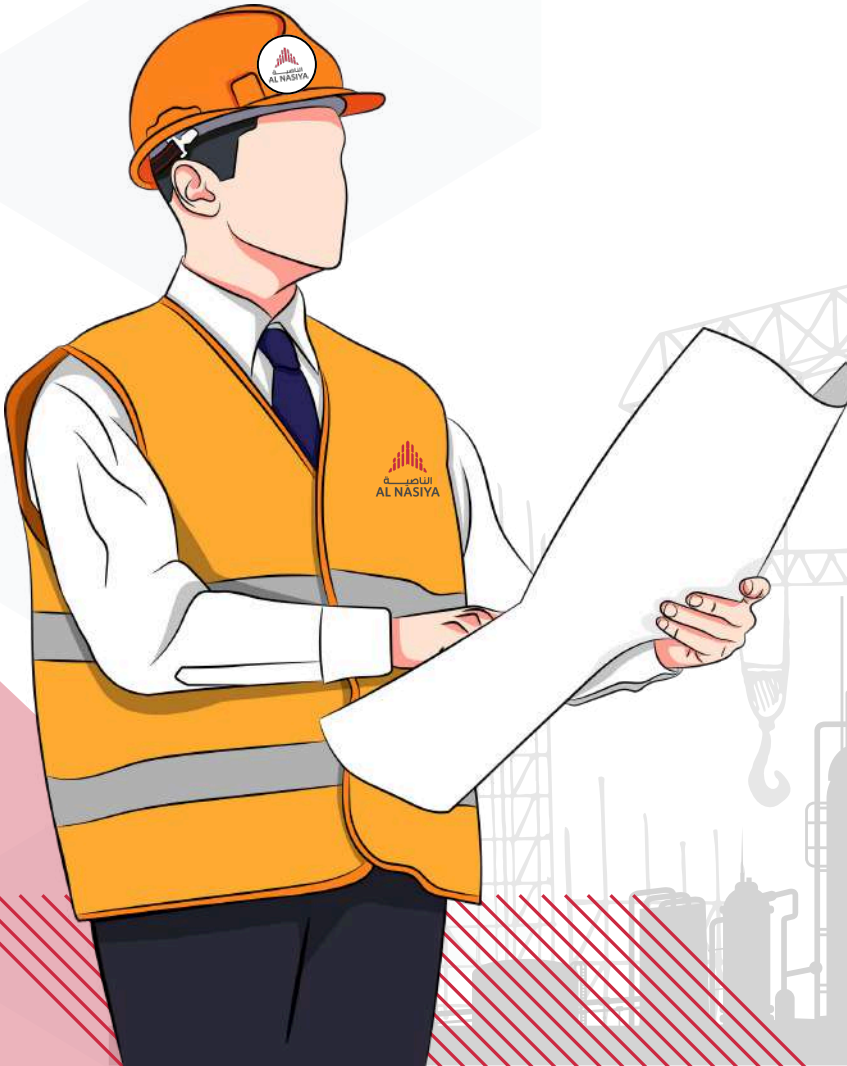

PRIME PROJECTS

GENERAL CONSTRUCTION

AL NASIYA GENERAL CONTRACTING WANTS TO BE RECOGNIZED AS A TOP GENERAL CONTRACTOR.

Our experience and reputation are built on fulfilling our client's needs. As a full-service construction provider, we work closely with the project team from project conception to project completion.

We provide necessary office support, field administration, supervision, coordination, and scheduling of work ourselves and we typically perform specific trade work with our own forces.

NATIONAL MEDIA COUNCIL (BUILDING)

Al Nasya was awarded with the construction project of new phase for NMC in the Abu Dhabi city. The project consists of a 5-storey building with an underground structural basement for parking. The project was initiated on 2017, with the efforts of our dedicated team and hard-working work force the project has already entered its phase 3 and on the verge of completion before the target hand over date i.e. 2020 OCT.

MINISTRY OF CLIMATE CHANGE AND ENVIRONMENT

Successfully completed full renovation for the ministry building in Abu Dhabi. Work was completed in a short span of time period in a safe, secure and sustainable manner. Work included external and internal surface repairing with special material and painting, along with skylight renovation, wooden cladding, civil restructuring, MEP replacement and interior decoration.

Renovation and decoration works for Minister floor including civil, MEP, and wooden cladding works.

Renovation and decoration works for Meeting room including civil, MEP, and wooden cladding works.

Ministry lobby renovation including Skylight renovation, internal walls repainting, and windows wooden cladding.

UNION SUPREME COURT

Successfully completed full external renovation for the union supreme court in Abu Dhabi. Work was completed in a short span of time period in a safe, secure and sustainable manner. Work included external granite cladding renovation along with interior lobby renovation. All the furnishing for the renovated lobby was supplied by the company as part of its internal designing.

EMIRATES NATIONAL SCHOOL

Emirates national school located in Mohammad bin Zayed was one of our project site where we did external surface repairing and painting along with internal renovation of school theatre (i.e. ceiling repair, installation of lighting and sound system)

ABU DHABI MUNICIPALITY MOSQUE

Full renovation for the mosque including gypsum Islamic decorations, internal paint, and a new ceiling.

AL TAMAYOUZ SCHOOL AL AIN

Full refurbishment of swimming pool which includes a new floor and wall tiles, marble stairs and full refurbishment of swimming pool bathroom.
